# Relay Conference Captioning (RCC)

An ideal online meeting solution for people who have a hearing loss.

Relay Conference Captioning (RCC) is a service available to Hawai'i residents who are Deaf or Hard of Hearing and actively participate in conference calls, video meetings, or webinars by reading live captions via a web browser on an internet-connected computer, tablet or mobile phone.

#### How to Schedule the RCC Service

- Make an appointment at least 48 hours (two working days) in advance to guarantee the service
- Go to relayhawaii.com/rcc
- Click the Reserve RCC link
- Fill out required information on the online form, including:
  - Name and contact information
  - Check both to verify your agreement and hearing loss
  - Hawaii phone number (i.e. mobile, home, work)
  - Fill out your event information such as: Select Conference Call or Video Meeting/Webinar"
  - Name of event
- Date and time of event
- Retain a copy of the transcript on a server, or destroy it after an event to protect your confidentiality
- Choose to allow participants to view a transcript only, both view and save, or not to view or save it.

A confirmation email with the RCC link to join the meeting on the scheduled date will be sent within one business day.

# **Features of RCC**

# **Option 1: Standard RCC**

- Captioner listens and transcribes conference call, video meeting or webinar.
- RCC participant using a computer monitor, tablet or mobile phone reads the captioned conference call.
- RCC participant who prefers to TYPE:
  The RCC participant types (3a) comments or
  questions and sends via "Message Captioner".
  Captioner (3b) reads aloud the RCC participant's
  comments or questions to conference call
  participants.
- ACC participant who prefers to SPEAK:
  The RCC participant speaks directly to
  conference call participants via the same
  conference bridge used by the captioner.

# **Option 2:** Embedded RCC

Embedded RCC is a feature that provides live streaming captions for spoken dialogue in web conference meetings and webinars.

This service allows RCC participants to watch captions on the same screen in select\* popular web conferencing and webinar platforms.

\*Embedded captions are not available on all web conferencing and webinar platforms.

### **Option 3:** Mobile RCC

RCC is available for a mobile phone when RCC participants are on the go!

How to access the RCC site using mobile phone?
