

# Speech-to-Speech Call with Confidence

**Speech-to-Speech (STS) service allows people with a speech disability to make and receive phone calls. STS operators are specially trained to understand speech patterns to ensure you are understood.**

To use STS, dial **711** or **877-447-8711** for English or **877-447-7261** for Spanish and provide the telephone number of the person you want to call. Instruct the STS operator to:

- repeat your words upon request
- re-voice your side of the conversation

Relay Hawaii offers the following options:

- Online Customer profile
- STS Call Setup
- Wireless \*STS
- STS Shortcut icon (New)

Scan the QR code with your phone to learn more about STS.
