

Dial 711. It's a breeze to communicate with anyone and say "Aloha!"

Dialing **711** will connect you to Relay Hawaii, a no-cost service which allows effortless communication for people who are deaf, deafblind, hard-of-hearing, speech-disabled, or hearing.

It is very simple to make phone calls. Just:

- 1) Dial **711*** or use the toll-free numbers listed below.
- 2) Give the relay operator the number of the person you are calling.
- 3) Easily communicate - an operator will relay the messages between you and the other person.

For any questions about relay services or to request a presentation, please contact:

LisaAnn Tom
Accessibility Relationship Manager
relayhawaii@t-mobile.com
808-447-3027
866-410-4256 (Fax)

* Some office phone systems do not work with 711. The toll-free numbers are alternatives customized to callers' needs.
